Yes, I explained to David that some delays might happen due to our email conversion. Probably should get them to him as early as possible tomorrow, though. Thanks!

Sandy, didn't you say David isn't expecting them until tomorrow?

Thanks

Howard and Kate, please advise if you would like to review these two Congressional responses on Pavillion before I send them back to ORD, who had the lead on responding. I made significant revisions, and Sandy Fells also reviewed and provided revisions. << File: Draft response Inhofe-Vitter letter021513-as cmnts + fells cmnts.docx >> << File: Drft response 20 Dem Reps Congressional-R8 revisions + fells cmnts.docx >>

Attached below are two draft responses to congressional letters. The first one is in response to the Vitter/Inhofe letter and the second response is in response to a letter we received from 21 democratic congressmen. I have also included the incoming letters below.

The drafts below represent our first attempt at a rough draft for each and we appreciate receiving your comments by February 20th. There is some urgency in getting these responses finalized and delivered to the Hill.

Thank you,
